

Becoming Certified in ABA

Your mission, should you choose to accept it, is to learn about the career paths and levels of certification within ABA and choose the level that's right for you. To accomplish this mission, you will:

- Download the Mission Resources
- Complete the lessons
- Look at the information linked to on the BACB website
- Explore the career paths available within ABA
- Answer the questions on the next page
- Celebrate the success of your Completed Mission

Tip: Working with autistic kids and adults is only one of the many career paths available within the field of ABA.

Mission Resources:

- Links to information available from the BACB
- RBT Supervision documentation form

Becoming Certified in ABA

Why are you interested in a career in ABA?

What do you need in a career to experience satisfaction?

What strengths and resources do you have available to you to help you build a career in ABA?

You know more than you think

There's a big difference between discussing a career in ABA and actually pursuing one. It's natural to feel a little nervous at first.

Completing this Mission provides the guidance you need to choose the career path that's right for you!
